

NEW - Cleaner Campgrounds at Country Concert

In an effort to make camping at Country Concert cleaner and safer for everyone, we are requiring all campsite renters to agree to the Campsite Cleanup Agreement below.

Campsite Cleanup Agreement

- 1) As the renter of a Campsite at Country Concert, I agree to bag all the garbage (bagged garbage can be left on the campsite). I also agree to remove all other items from the campsite when I leave.**
- 2) I agree to allow Country Concert to charge an additional “clean up” fee on my credit card if I do not comply with this agreement. The “clean up” charge will vary with the time it takes to clean up the campsite, but will be a minimum of \$200.**
