Additional Notes:

REFUNDS: Refunds are not given for any reason. In the case of a rained out event, a unit will be provided on the first clear day the event is run.

DELIVERY: To be sure to receive a unit, order and pay for it by the WEdnesday prior to the event week. Orders at the event will be available for delivery. We will begin delivering private units on Tuesday of the Event, there are no delivery time guarantees. We cannot guarantee a delivery time or immediate delivery upon your arrival at the event. Upon arrival, call or stop a driver. Please remember that there will be a wait time.

LOCKS: All units will lock from the inside for privacy. Due to the variety of unit models, units do not always have the capability of locking from the outside. We do not provide locks from the outside.

SERVICE OF SINGLE UNITS: There is no service included with the rental of your unit. If service is needed, it is an additional \$25.00 per unit per service.

PUMPING OF RV SEWAGE HOLDING TANKS: We do not take advance orders for servicing RV tanks. Please see our service trucks as they come through each day. The cost per service is \$30 for pump or fill of Class C campers or \$50 for pump or fill of Class A custom trailers. ACE is NOT liable for any damages to your RV associated with pumping. Customer resumes all responsibility.
